Approval shall be granted or withheld based on matters of compliance with the provisions of this instrument.
- (b) Each application made to the Committee shall be accompanied by two sets of plans and specifications for all proposed construction (initial or alteration) to be done on such Tract, including plot plans showing location on the Tract.

Section 5.01. Membership. Every person or entity who is a record owner of any Tract which is subject to the Maintenance Charge and other assessments provided herein, shall be a "Member" of the Association. Ownership of the Tracts shall be the sole qualification for membership. The voting rights of the Members are set forth in the Bylaws of the Association. However, this Declaration will not be

construed as to assess the Veterans Land Board of the State of Texas. Any assessments are the personal obligation of the Veteran purchaser, his successors, heirs and assigns. Any lien imposed by this Declaration does not affect the Veterans Land Board's interest in the Property.

**Section 5.02. Non-Profit Corporation.** Rim Rock Ranch Property Owners Association, a non-profit corporation, has been organized and it shall be governed by the Texas Non-profit Corporation Act, the Articles of Incorporation and Bylaws of the Association; and all duties, obligations, benefits, liens and rights hereunder in favor of the Association shall vest in said corporation.

## ARTICLE VI

### MAINTENANCE FUND

Section 6.01. **Maintenance Fund Obligation.** Each Owner of a Tract, by acceptance of a deed therefor, whether or not it shall be expressed in any such deed or other conveyance, is deemed to covenant and agree to pay to the Association an annual Maintenance Charge ("Maintenance Charge"), and any other assessments or charges hereby levied. The Maintenance Charge and any other assessments or charges hereby levied, together with such interest thereon and costs of collection thereof, as hereinafter provided, shall be a charge on the Tracts and shall be a continuing lien upon the property against which each such Maintenance Charge and other charges and other assessments are made.

#### Section 6.02. **Maintenance Charge.**

- (a) The Maintenance Charge shall be used to create a fund to be known as the "Maintenance Fund", which shall be used as herein provided; and each such Maintenance Charge (except as otherwise hereinafter provided) shall be paid by the Owner of each Tract to the Association. The Maintenance Charge for the year of purchase shall be prorated at closing and then shall be paid annually, in advance, on or before the first day of the first month of each calendar year. Provided, however if such Owner owns more than one Tract in the Subdivision; such Owner shall pay only twice the assessment of one (1) Tract no matter how many Tracts are owned or in the event Owner obtains consent from the Committee for a Composite Building Site pursuant to Section 3.02 hereof, such Composite Building Site shall be considered for the Maintenance Charge of one Tract beginning upon the completion of the improvements thereon.
- (b) Any Maintenance Charge not paid within thirty (30) days after the due date shall bear interest from the due date at the lesser of (i) the rate of eighteen percent (18%) per annum or (ii) the maximum rate permitted by law. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the hereinafter described lien against the Owner's Tract. No Owner may waive or otherwise escape liability for the Maintenance Charge by the non-use of any Common Areas or by the abandonment of his Tract.
- (c) The initial amount of the Maintenance Charge applicable to each Tract will be \$120.00 per year due in advance, payable on January of each year. All other matters relating to the Maintenance Charge and the collection, expenditures and administration of the Maintenance Fund shall be determined by the Developer or the Board of Directors of the Association, subject to the provisions hereof.
- (d) The Association, shall have the right at any time, with a majority vote of all Association Members, to adjust or alter said Maintenance Charge from year to year

as it deems proper to meet the reasonable operating expenses and reserve requirements of the Association in order for the Association to carry out its duties hereunder.

**Section 6.03. Creation of Lien and Personal Obligation.** In order to secure the payment of the Maintenance Charge, and other charges and assessments hereby levied, each Owner of a Tract in the Subdivision, by such party's acceptance of a deed thereto, hereby grants to the Association a contractual lien on such Tract which may be foreclosed by non-judicial foreclosure, pursuant to the provisions of Section 51.002 of the Texas Property Code (and any successor statute); and each such Owner hereby expressly grants the Association a power of sale in connection therewith. The Association shall, whenever it proceeds with non-judicial foreclosure pursuant to the provisions of said Section 51.002 of the Texas Property Code and said power of sale, designate in writing a Trustee or Agent to post or cause to be posted all required notices of such foreclosure sale and to conduct such foreclosure sale. The Trustee or Agent may be changed at any time and from time to time by the Association by means of written instrument executed by the President or any Vice-president of the Association and filed for record in the Official Public Records of Comal County, Texas. In the event that the Association has determined to non-judicially foreclose the lien provided herein pursuant to the provisions of said Section 51.002 of the Texas Property Code and to exercise the power of sale hereby granted, the Association, or the Association's Agent, shall give notice of foreclosure sale as provided by the Texas Property Code as then amended. Upon request by Association, the Trustee or Agent shall give any further notice of foreclosure sale as may be required by the Texas Property Code as then amended, and shall convey such Tract to the highest bidder for cash by Assessment Lien Foreclosure Deed.

Out of the proceeds of such sale, if any, there shall first be paid all expenses incurred by the Association in connection with such default, including reasonable attorney's fees and a reasonable Trustee's or Agent's fee; second, from such proceeds there shall be paid to the Association an amount equal to the amount in default, and third, the remaining balance shall be paid to such Owner. Following any such foreclosure, each occupant of any such Tract foreclosed on and each occupant of any improvements thereon shall be deemed to be a tenant at sufferance and may be removed from possession by any and all lawful means, including a judgment for possession in an action of forcible detainer and the issuance of a writ of possession thereunder.

In the event of non-payment by any Owner of any Maintenance Charge or other charge or assessment levied hereunder, the Association may, in addition to foreclosing the lien hereby retained, and exercising the remedies provided herein, upon ten (10) days prior written notice thereof to such non-paying Owner, exercise all other rights and remedies available at law or in Equity.

It is the intent of the provisions of this Section 6.03 to comply with the provisions of said Section 51.002 of the Texas Property Code relating to non-judicial sales (foreclosure of contractual liens) by power of sale and, in the event of the amendment of said Section 51.002 of the Texas Property Code hereafter, the President or any Vice-president of the Association, acting without joinder of any other Owner or mortgagee or other person may, by amendment to this Declaration filed in the Real Property Records of Comal County, Texas, amend the provisions hereof so as to comply

with said amendments to Section 51.002 of the Texas Property Code.

**Section 6.04. Notice.** In addition to the right of the Association to enforce the Maintenance Charge or other charge or assessment levied hereunder, the Association may file a claim of lien against the Tract of the delinquent Owner by recording a notice ("Notice of Lien") setting forth (a) the amount of the claim of delinquency, (b) the interest thereon, (c) the costs of collection which have accrued thereon, (d) the legal description and street address of the Tract against which the lien is claimed and (e) the name of the Owner thereof. Such Notice of Lien shall be signed and acknowledged by an officer of the Association or other duly authorized agent of the Association. The lien shall continue until the amount secured thereby and all subsequently accruing amounts are fully paid or otherwise satisfied. When all amounts claimed under the Notice of Lien and all other costs and assessments which may have accrued subsequent to the filing of the Notice of lien have been fully paid or satisfied, the Association shall execute and record a notice of satisfaction of the delinquent assessment upon payment by the Owner of a reasonable fee as fixed by the Board of Directors to cover the preparation and recordation of such instrument.

**Section 6.05. Assessment Lien Subordinate to Mortgages.** The lien described in this Article VI shall be deemed subordinate to a first lien or other liens of any bank, insurance company, savings and loan association, university, pension and profit sharing trusts or plans, or any other third party lender, which may have heretofore or may hereafter lend money in good faith for the purchase or improvement of any Tract and renewal, extension, rearrangement or refinancing thereof. Each such mortgagee of a mortgage encumbering a Tract who obtains title to such Tract pursuant to the remedies provided in the deed of trust or mortgage or by judicial foreclosure shall take title to the Tract free and clear of any claims for unpaid Maintenance Charges or other charges or assessments against such Tract which accrued prior to the time such holder acquired title to such Tract. No such sale or transfer shall relieve such holder from liability for any Maintenance Charge or other charges or assessments thereafter becoming due or from the lien thereof. Any other sale or transfer of a Tract shall not affect the Association's lien for Maintenance Charges or other charges or assessments.

**Section 6.06 Purpose of the Maintenance Charges.** The Maintenance Charge levied by the Association shall be used exclusively for the purpose of promoting the recreation, health, safety, and welfare of the Owners of the Subdivision which hereafter may become subject to the jurisdiction of the Association. In particular, the Maintenance Charge shall be used for any improvements or services in furtherance of these purposes and the performance of the Association's duties described in Article VIII, including the maintenance of any Common Areas, any Drainage Easements and the establishment and maintenance of a reserve fund for maintenance of any Common Areas. The Maintenance Fund may be expended by the Association for any purposes which, in the judgment of the Association, will tend to maintain the Property and the Subdivision, including, but not limited to, providing funds for the actual cost to the Association of all taxes, insurance, repairs, energy charges, replacement and maintenance of the Common Area as may from time to time be authorized by the Association. Except for the Association's use of the Maintenance Charge to perform its duties described in this Declaration and in the Bylaws, the use of the Maintenance Charge for any of these purposes is permissive and not mandatory. It is understood that the judgment of the Association as to the expenditure of said funds shall be final and conclusive so long as such judgment is exercised

in good faith.
